EVERYTHING FOR EVERYBODY

Let them be wrong-and all is wrong. Let them be right, and all other things usually right

themselves. It is for that reason that all our energies are bent upon keeping our stocks in perfect

shape-large enough always to permit the entrance of every new idea, every new style, every de-

sirable thing that is to be had. Our Fall Stocks are now in full bloom. Every department is

now at its best, and every price at least as low or lower than merchandise of equal merit can be bought for anywhere in this country.
